Green-anodized Aluminum Accessories for Grave Digger

Add custom style and increase durability with these premium upgrades! Traxxas aluminum accessories improve the appearance, ruggedness, and control of the officially-licensed Grave Digger model, and can also be used on Stampede, Rustler, Slash, and Bandit*. All the suspension parts feature the strength and precision of machined billet 6061-T6 aluminum, and the caster blocks feature a high-contrast laser etched TRX logo. Simple bolt-on installation that anyone can perform inspires confidence for future upgrades.

Also Fits Rustler, Stampede, Slash, and Bandit!*
